- * 30 pairs of free of charge revenue lenses per person. Intended for Eye Care Professionals and their direct employees only. 5 persons per practice only. One order per person only. Applicant must get J&J Account holder's permission first.
- ** In accordance with The College of Optometrists guidelines, practitioners should not treat themselves, including not prescribing and/or fitting contact lenses for themselves.
- *** Write down the prescription for a spherical or astigmatic prescription in box provided. Please visit www.jnjvisioncare.co.uk for full terms and conditions.

All ACUVUE® Brand Contact Lenses have Class 1 or Class 2 UV-blocking to help provide protection against transmission of harmful UV radiation to the cornea and into the eye. UV-absorbing contact lenses are NOT substitutes for protective UV-absorbing eyewear such as UV-absorbing goggles or sunglasses because they do not completely cover the eye and surrounding area. UV transmission measured with -1.00D lens.
